

# WINX2 TACTICAL WATERPROOF

1020 • 1020W

BLACK

- Quiet rubber outsole with "Talon Lug" design for additional traction and ladder grip control treads (non-marking)
- Stitched toe and heel for durability and increased service life
- Custom molded phylon midsole for lightweight comfort and cradled support
- Texon® insole with steel shank for lateral support and torsional stability
- Full grain polishable leather toe for improved durability and comfort
- Ballistic nylon upper for increased durability

- Custom molded thermoplastic heel counter and toe box to provide that already "broken in" out of the box fit and additional lateral support
- Foam padding in tongue and collar for protection and increased breathability
- Removable custom fit EVA orthotic for all day comfort
- Durable moisture wicking lining to help keep feet comfortable all day
- Durable brass alloy rust proof hardware
- PU collar with perforations to help transport moist hot air out of the boot
- Waterproof, breathable lining with full bootie construction; blood borne pathogen resistant

Waterproof Membrane

Blood borne pathogen resistant
