

WOMEN'S CLASSIC 6"

1151F

BLACK

- Slip and oil resistant quiet rubber outsole; exceeds ASTM F489-96 test standards
- Electrical Hazard Protection; meets ASTM F2412-11 & F2413-11 EH test standards
- Stitched toe and heel for durability and increased service life
- Custom molded phylon midsole for lightweight comfort and cradled support
- Texon® stability platform insole for lateral support and torsional stability; with steel shank to accommodate proper flex point to help reduce fatigue
- Full grain polishable toe for improved durability and comfort
- Built on a custom last specific to a woman's foot taking into account a narrower heel, longer calf muscle, higher arch and instep
- 1000 Denier Nylon Upper for increased strength and durability
- Custom molded thermoplastic heel counter and toe box to provide that already "broken in" out of the box fit and additional lateral support
- Foam padding in tongue and collar protection and increased breathability
- Removable custom fit molded orthotic for all day comfort, also treated with AEGIS®
- Moisture wicking lining treated with AEGIS® anti microbial
- Durable brass alloy rust proof hardware
- PU collar for easy cleaning
- Triple stitched upper with 3 ply bonded nylon thread for extended durability
