

CLASSIC 6"

WATERPROOF CST SIDE ZIP

1271 • 1271W

BLACK

- Slip and oil resistant quiet rubber outsole; exceeds ASTM F489-96 test standards
- Electrical Hazard Protection; meets ASTM F2412-11 & F2413-11 EH test standards
- Stitched toe and heel for durability and increased service life
- Custom molded phylon midsole for lightweight comfort and cradled support
- Texon® stability platform insole for lateral support and torsional stability; with steel shank to accomodate proper flex point to help reduce fatigue
- 100% composite safety toe made to the highest standards in the world; ANSI 75 pound, ASTM F2413-11, CSA & EN 200 joules
- Full grain polishable toe for improved durability and comfort
- 1000 Denier Nylon Upper for increased strength and durability

- Custom molded thermoplastic heel counter and toe box to provide that already "broken in" out of the box fit and additional lateral support
- Foam padding in tongue and collar protection and increased breathability
- Removable custom fit EVA orthotic for all day comfort, also treated with AEGIS®
- Moisture wicking lining treated with AEGIS® anti microbial
- Durable brass alloy, rust proof hardware
- Triple stitched upper with 3 ply bonded nylon thread for extended durability
- Custom YKK® zipper and housing with Velcro® closure for easy on and off fit
- Waterproof lining with a full bootie construction
- Blood borne pathogen resistant
